SKETCH, made-up numbers: a pair is fit when reuse ≥ 0.90 and new ≤ 0.05
rival a (made up): every pair fit
new bar 0.05
reuse bar 0.90
copy / cipher
context / lookup
known / invented facts
reuse side
new side
0.0
0.5
1.0
greedy exact match, 256 held-out keys
rival b (made up): a pair misses
new bar 0.05
reuse bar 0.90
copy / cipher
context / lookup
known / invented facts
reuse side
new side
0.0
0.5
1.0
greedy exact match, 256 held-out keys
made-up numbers; the run reads 256 held-out keys per side, same keys both sides
